

**DEPARTMENT OF JUSTICE  
Antitrust Division**

**Notice Pursuant to the National Cooperative Research  
and Production Act of 1993 -- National Fire Protection  
Association**

Notice is hereby given that, on May 8, 2018, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. § 4301 et seq. ("the Act"), National Fire Protection Association ("NFPA") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, NFPA has provided an updated and current list of its standards development activities, related technical committee and conformity assessment activities. Information concerning NFPA regulations, technical committees, current standards, standards development and conformity assessment activities are publically available at [nfpa.org](https://nfpa.org).

On September 20, 2004, NFPA filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to Section 6(b) of the Act on October 21, 2004 (69 FR 61869).

The last notification was filed with the Department on March 6, 2018. A notice was published in the Federal Register pursuant to Section 6(b) of the Act on April 24, 2018 (83 FR 17852).
